STORY OF
ASUKA@FUTURE.
CONTINUE

Hojo

Administrator of the Futurian message board, and the mastermind behind the attack on Manaka. What is his purpose...?

Masakado

Has the ability to train animals in a second. He used his abilities afterwards after Manaka, but he was defeated because he wasn't paying attention.

Soga

Has the ability to make weapons from rubble. He has a prideful personality, and tried to kill Manaka after getting lots of innocent people hurt.

Manaka

A tall, slender girl middle schooler. Because she discovers MP3 time compression energy in the future, the Futurians are after her life.

Osakabe

Manaka's classmate. An ordinary person with no particular combat ability apart from his obsession with comedy.

A Futurian that fights to protect Manaka. Apparently his love was saved by Manaka in the future...??

Manaka still half-doubted him, until one day, when she was attacked by an assassin from the future that could manipulate "time-compression" energy, and was saved by Asuka. After that, Asuka defeated Soga, a Futurian that could smelt weapons from rubble, and Masakado, a Futurian that could train animals in a second, and continued to protect Manaka...

A strange transfer student claiming "I came from the Future" just joined Kamishiro Manaka's class in her prep school. Naturally, Manaka and her classmate Osakabe don't believe him. But Asuka started displaying abnormal powers, by rightly guessing the plot of a movie that had not yet been screened, and making a thug that attacked Manaka vanish in midair. Is Asuka really a time-traveller!?

**WALK RIGHT INTO

アスカ@未来系 [2]

YOU'RE
SAYING IT
SNOW-
BALLS!

SO THE TIME YOU'RE SENT
AHEAD KEEPS GROWING
AND GROWING, JUST LIKE
INTEREST ON A LOAN...

BUT
YOU'RE STILL
GIVING TIME-
COMPRESSION
ENERGY...

HOW-
EVERY

GUESS YOU
GOTTA PLAN
WHEN YOU
USE IT...

RIGHT
AFTER
YOU USE
IT

THEN YOU'RE
BETTER OFF
GETTING SENT
FORWARD RIGHT
AFTER YOU
USE IT

MOMT

SO FAR THE
ONLY ONE
THAT'LL
GET SENT
AHEAD

TAKI... TIME-
COMPRESSION
ENERGY I'M
GIVING YOU GONE
RIGHT NOW IS
ACTUALLY MY
TIME...

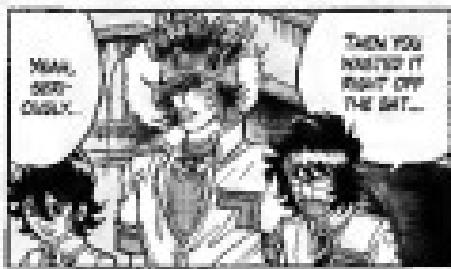

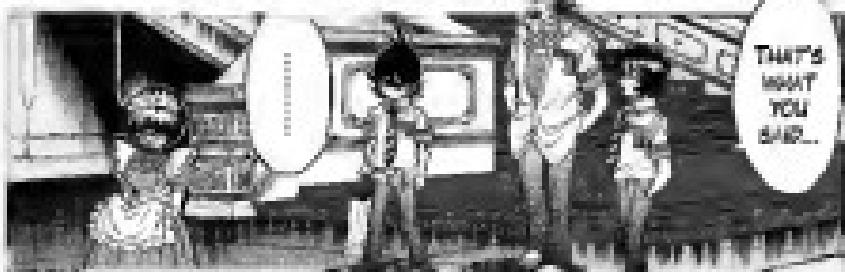

ASURA...

I'M GIVING YOU
ONE MONTH'S
WORTH OF MY
ENERGY!!

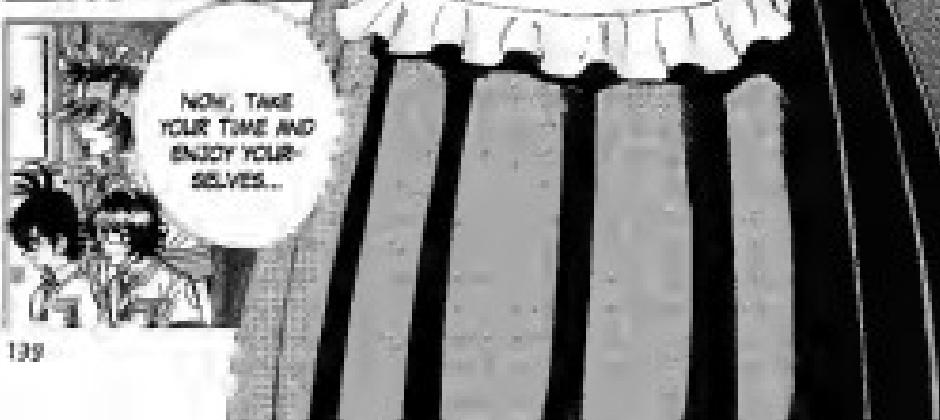

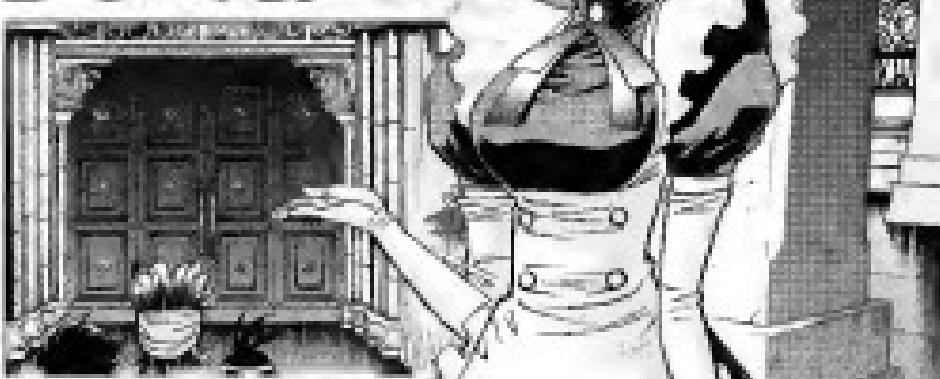

13

HERE
WE ARE!

NOW, TAKE
YOUR TIME AND
ENJOY YOUR-
SELVES...

17

18

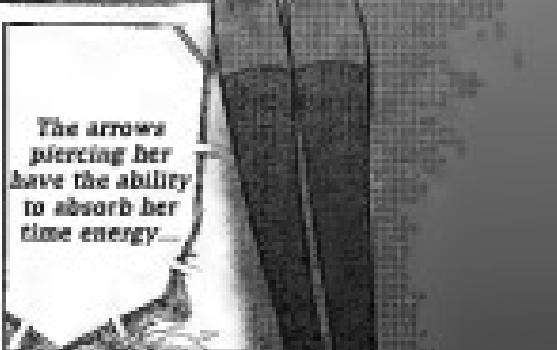

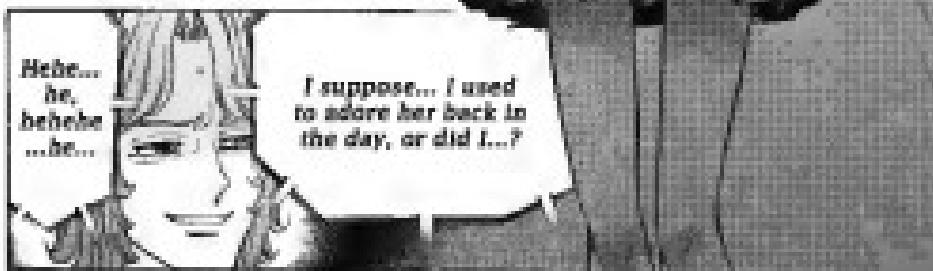

It's time
to start the
party.

アスカ@未来系 [2]

We have succeeded in preventing the development of time-compression energy...!!

our objective is complete.

Now...

But that's not all

The destruction of the future is averted...

...

But that concern

there was a chance that we would come to exist.

If we were to eliminate her... and if that just happened to cause a distortion in history...

because you're all the
"bothersome people that
oppose my methods"
that I just mentioned...!!
Hehehehehe...!!

For I have
gathered
you here in
the base-
ment party
venue...

21

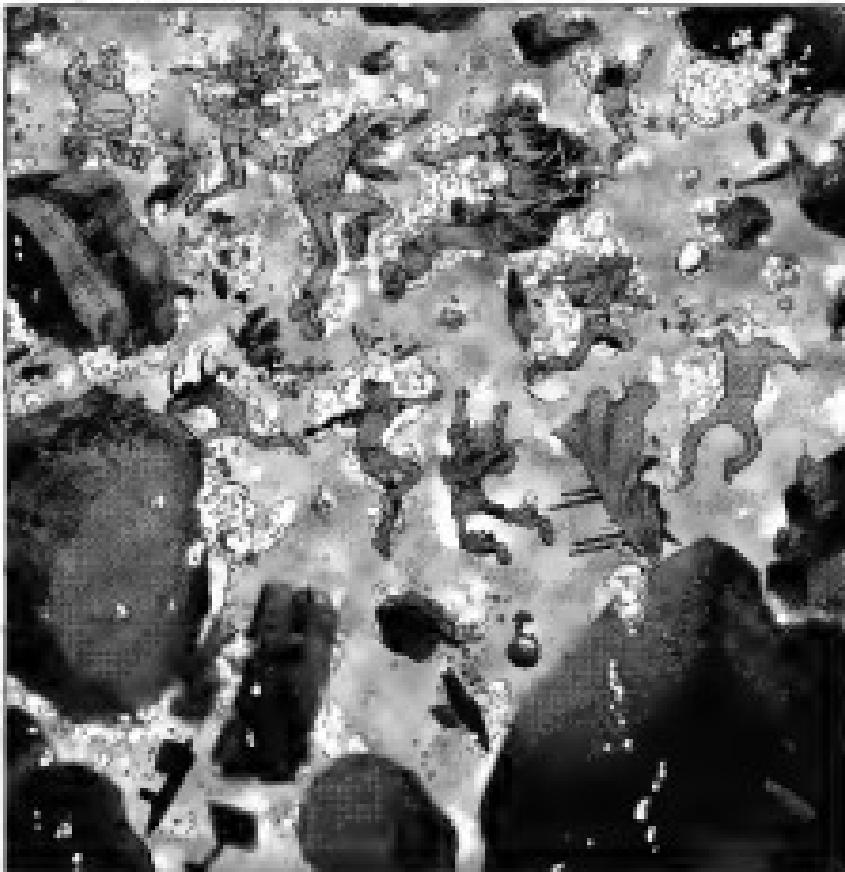

Hehe... It feels
spectacular
to be able to
eliminate you
without any
bother at all...

That
room is on
the lowest
floor of my
house...

while
we are in
the top
floor...

アスカ@未来系 [2]

OUR
COMPATRIOTS
WE LEFT
IN THE
FUTURE...
ARE AL-
READY...

THE FACT IS...
WE FUTURIANS
ARE SUPPOSED
TO BE DEAD TO
BEGIN WITH.

THE SHARK
FROM THIS

CHAPTER!!

When this shark showed up, everyone was thinking about how they were gonna take it down.

I would train out the shark, but myself to be a shark master.

WANTS A
GOOD BOY,
WANTS A
GOOD BOY...

To start off, the first step was training.

BECOMING A MASTERS IN JUST A MONTH IS A LITTLE FAR-FETCHED...

AHHH,
MOVING
TIL DIE IT
STOP?
MOVING!

Artist's
Impression

WHEN THEY
TRANSPORT
SHARKS
TO THE
AQUARIUM...

I HEAR THAT THE

KEEP MOVING ITS

SO IT DOESN'T DIE.

IF WE PUT IT IN
AN ENCLOSED

ITS FINS FROM

IN OUR
CASE!!

BUT
THEN WE
CAN USE
THAT
AGAINST
THEM!

ISN'T THAT

THIS
IS THE
METHOD
WE USE!!

THIS
IS IT!

I JUST
COULDNT

WHEN I TRIED
TO PUT THIS
PLAN INTO
ACTION...
